Dear Parents/Guardians,

### **ROAD SAFETY OF STUDENTS**

We would like to seek your cooperation to work with the school in ensuring the safety of students coming to and leaving school.

This letter reiterates the road safety policies of the school:

- a. Reduce vehicle speed and stay alert for pedestrians in the school zone.
- b. Let your child alight only at the designated drop-off points. The drop-off point is outside the main gate of the school. Parents are permitted to drop off the students at the foyer only when it rains. When picking up your child at dismissal time, do remember to pick him/her up along the road closest to the school.
- c. Be advised not to violate traffic rules by driving recklessly or making illegal maneuvers such as turning into the school from the outer lane(s) of the road. Please be advised that drivers are to make a U-turn at the designated turning at the end of Fernvale Link.
- d. Do not sound the horn indiscriminately.
- e. Help your child alight from the car on the side nearest to the kerb as quickly as possible.
- f. Reinforce correct road safety behavior such as using pedestrian crossings, and avoiding jaywalking or using a handphone while crossing.
- g. Remind your children to practise the kerb drill before crossing - "Look right, look left, look right again, ensure all vehicles have stopped, raise your hand high up and cross the road briskly".
- h. If your child must cycle to school, ensure that he knows safe cycling rules and is a competent cyclist. The use of a helmet is compulsory.

For the safety of everyone, enforcement action will be taken against motorists who violate traffic rules. We thank all parents and guardians who have been the role models for our children.

On Behalf of SPF and LTA,

Mrs Belinda Chan  
Principal
